*"Lisa Liguori will discuss the upcoming  
Jan. 22, 23, & 24th 2021 Agility Trial"*

### *President's Message,*

Dear members,

Happy New Year! This past year the Club faced some unprecedented challenges, but we prevailed and hopefully 2021 will be a better year for all of us. I am hopeful that improvements will come, albeit gradually, with a vaccine becoming available. And while there is light at the end of the tunnel we cannot let our guard down, we must stay vigilant and not succumb to Pandemic fatigue. We must continue to wear our masks inside the Training Center and remind our members, instructors and students to follow CDC recommendations such as wearing masks, social distancing, frequent hand washing and disinfecting surfaces until it's safe to do otherwise.

As we look back on 2020 don't forget to celebrate your progress and achievements no matter how big or small. And although some of our goals may not have been achieved that does not mean progress wasn't made. Despite the Training Center being shut down for a few months many students graduated our classes, we offered some new classes, gained new members, and we held a successful COVID-safe Obedience Match and Obedience & Rally Trials. Thank you to all of our dedicated instructors and volunteers for making this possible by donating their time and effort.

Congratulations to all who received awards and thank you to those who brought pet food donations to the Awards Party! The donated food will be given to Sophie's Circle Pet Pantry for distribution.

**Please plan on joining us at our next meeting January 11th so we can vote on the new Board members. We were unable to meet our quorum required to vote in the new Board members for 2021 at our last meeting.** I'm looking forward to working with the new Board in meeting whatever challenges 2021 may present with creativity and determination. We will also discuss our upcoming Agility Trial and be asking for volunteers.

May all your goals and dreams come true, and best wishes for good health and happiness in 2021.

Sincerely,

Linda Hudak

## Mark the Date: January 22, 23, 24, 2020 The Great OCOD Annual Agility Trial!

We have wonderful judges, excellent participants, and an enthusiastic committee putting together another successful trial. ALL WE NEED NOW IS YOU!!

Many club members have already signed up for interesting jobs like Course Builder, Timer, Scribe, Gate Steward, and Leash and Score Sheet runners. But with several different classes daily, there's still plenty of opportunity for you to fill these jobs—plus act as Ring Crew on Friday. (On Saturday and Sunday we'll have help from local students). Alan Israelson will be overseeing a table of delicious goodies for you.

You don't need to know anything about agility to help, and you can be taught any of the jobs in just a few minutes. Plus volunteering gives you a ring-side view of the goings-on.

**Please contact Michaelae Calderone 330-501-7827 or ([mc5052@outlook.com](mailto:mc5052@outlook.com)). In addition, we'll need people to help set up the rings on Thursday, January 17 at 10 a.m. and to help put things away after the trial is finished on Sunday.**

Everyone who volunteers will be rewarded: For every class you work, you'll receive a \$2 coupon good for food at our food vendor or entry in a future OCOD agility trial, plus a ticket for the worker's raffle—in which you can win valuable gift cards.

As always, the trial will be held at Silver Sands Equestrian Club, 625 Co Rd 415 (Tomoka Farms Rd), New Smyrna Beach FL 32168.

***So, whether you come to play or to watch, do come to pitch in and help. Sign up for one class or several. We're counting on you!***

## From Sandy Bailey about Military Working Dog Committee

### Article #1

The Military Working Dog committee is excited to share that Santa Paws stopped by and had gifts for our furry friends at Daytona Beach Police K-9 unit and Port Orange Police K-9 unit.

Daytona's dogs love Kongs as a reward for a job well done and Santa Paws was able to offer them 20 Kongs with rope. Koko was working when Santa Paws stopped by and took a minute out of his busy training schedule to select a new Kong and actually tried to carry 2 Kongs at once. Now that's love!

Port Orange K-9s received their favorites as well - jute tugs, hard red balls and a fuzzy tug toy - tails were waggin' in Port Orange this year. As always it is our honor and privilege to give a little something to these hard working dogs and be able to thank them for the work they do.

It is also exciting to share that Daytona PD will on occasion, be using our indoor training center. Our indoor facility will allow them to train for situations that they may encounter in the field but have had limited training on, as their grounds is an open air facility and doesn't offer some of the obstacles and challenges buildings present. It is very exciting to be able to serve our community in this capacity and look forward to a long relationship.

### Article #2

The Halifax Humane Society was offering a kids camp over the winter break and asked if OCOD would like to drop by - Esther and I couldn't say "no". So, once again we visited with the kids and shared fun conversation about the responsibilities of owning a dog, training a dog and proper etiquette when meeting a dog in public. The kids are so curious and love to share their experiences. Esther's favorite part is when the kids practice offering treats!
