will be joining us for a demo.*

President's Message,

Hello everyone,

I hope this finds you all in good health! Here at the Training Center we are catching up on the make-up classes and new classes are filling fast! I want to thank those of you who have stepped up and offered to help the Club during this time of need. We still have opportunities to get involved so don't be shy! As you all know COVID has forced many changes to take place, these changes can be challenging for most of us and the Club is no exception. We must be willing to be creative and open to change. It takes great effort and thought to constantly consider between the needs, preferences, and expectations of our members, but the ability to do so ends up being what's right for everyone. The end result, via cooperation is often compromise and change. We may not always see eye to eye but if everyone pitches in and gives a little, we all win! We need to work together to make it work. Thank you for your continued support and involvement in the Club!

We need at least 20 club members in good standing at our next meeting. It's very important that we vote on adding the ability to hold virtual meetings to our By Laws. Hopefully more people will come to hear our k9 speakers and stay to vote!

Happy Training and Stay Safe,

Linda Hudak

Title Requirements Amended

by [AKC Companion Events Department](#)

Titling Requirements Temporarily Amended – Obedience/Rally/Agility

July 16, 2020

To All Clubs Licensed for Obedience, Rally and Agility:

To better assist clubs and exhibitors during this unusual time in our sports, the Obedience, Rally and Agility departments received approval by the AKC Board of Directors to change the number of judges required for awarding some titles in obedience, rally and agility. Due to the travel restrictions and other local regulations impacting the country from COVID-19, many clubs are struggling to bring in judges from outside their area, plus exhibitors are looking to stay close to home.

This change will eliminate the requirement that two different judges are required for the titles shown below that require three qualifying scores (legs) to earn the titles. The change is effective retroactively to July 1, 2020 and will be in effect through December 31, 2020. The Regulations suspension will be revisited at the end of the year.

For all of the titles listed at the bottom of this announcement exhibitors may earn three qualifying scores (legs) under the same judge through December 31, 2020.

List of Titles by Sport Where the Two-Judge Requirement Currently Applies

Agility — 18 titles

Novice level: NA – NAP – NAJ – NJP – NF – NFP

Open level: OA – OAP – OAJ – OJP – OF – OFP

Excellent level: AX – AXP – AXJ – AJP – XF – XFP

Obedience — 10 titles

Novice level: CD – PCD

Open level: CDX – PCDX

Utility level: UD – PUTD

Beginner Novice: BN

Graduate Novice: GN

Graduate Open: GO

Versatility: VER

Rally — 4 titles

Novice: RN

Intermediate: RI

Advanced: RA

Excellent: RE

Please address questions to obedience@akc.org, rally@akc.org, or agility@akc.org.

OCOD MWD COMMITTEE

This evening Ralph and I had the pleasure of meeting 2 Port Orange PD K-9 teams. What an excellent opportunity to meet 2 great handlers and 2 exceptional dogs. They needed some training toys and OCOD MWD committee was happy to help!

OCOD has lost one of our long time club members, Marge Passalacqua. She was the Trophy Chairperson at our Trials for many years. Marge also taught the Conformation classes for a few years before becoming ill. Marge bred Toy and Miniature Poodles and had many Champions over they years. She will be sadly missed by all that knew her.

Obedience Club of Daytona - 2020 Annual Eye Clinic Report

Before I get into the actual summary of this year's eye clinic -- let me just say -- this has been a rough year -- for ALL. COVID is out there - and it's scary -- we all have to protect ourselves and be careful.... but it also has had an impact on businesses and Clubs. OCOD lost a lot of income due to this virus and now -- we are all cautious - and almost living in fear to leave our homes. But the truth of the matter is --- this virus is not going away any time soon and the best we can do -- is wear a mask - social distance and wash our hands frequently and move forward with our lives. If you are the type of person who can stay in your home - then you have my utmost respect -- because -- I cannot -- and if staying at home alone is the only choice I have -- well that is not a choice. I believe if we are careful - and do what is needed -- we can move forward - we will never be where we were -- but we can move forward. Members - please - consider stepping up to volunteer and help at an event - encourage trials to resume - encourage people to come back to class --

With that in mind - it takes a team to save a Club - in these times of financial stress. I had that team with me today -- and actually -- it started way back in January. Every year I do this clinic -- and every year I reach out to Renee Johnson, who wears many hats for this club, and I ask her to create the flyer that is available on Facebook, Fun with Fido, my facebook page, the newsletter, etc. Without this flyer - the word of the Eye Clinic does not get out there - and the forms are not filled in and mailed with a check. So the flyer was created -thank you Renee -- and then COVID hit -- I had about 40 people signed up for the April Clinic -- when it was best to cancel, shred checks -- and re-schedule. Dr. Caryn Plummer from Gainesville immediately forwarded the dates she was available and we decided on September 12.

The first of August - the people who had signed up and paid previously were sent e-mails notifying them - the September 12 date was a go - and to send new checks. Well they all did -- and then some --- We had a total of 51 exams done today between the hours of 8:00 AM and 12:00 PM. Social distancing was at it's best - everyone who came was thankful -- wow -- what a nice, but tiring morning we had -- to hear grateful people rather than angry political rants. The Club gets a portion of the fee -- so it was a win win situation for all.

And when I say it takes a team for any event that the Obedience Club of Daytona does - I mean it. I want to give my heartfelt thanks to Joyce Swegle and Janet Berry --- both of these women never thought twice -- and stepped up to help me. Joyce manned the desk - taking temperatures, making sure the COVID Release form was signed by every individual coming into the building... while making sure proper social distancing was observed. Janet Berry and I ran around the entire time -- getting drops in dogs eyes -- sometimes going out to the parking lot where people waited in their RVs or air conditioned cars. We both were constantly watching time so that when the drops had been in the required time, the dog could be examined and the owner could be on their way....allowing space for the next person to come in. We get more people each year for this Clinic because the appointments are scheduled so that no individual is there longer than they need to be.

I did not have to ask anyone to put on their mask -- or stay the proper distance. What wonderful support from not only Joyce and Janet - but every individual who attended.

I will schedule another clinic in 2021-- but a date is to be determined-- we need to go beyond our usual April date -- because it needs to be longer than seven months between exams. So stay tuned -- when Dr. Plummer provides dates she is available -- we will start the process all over again....if you did not get in this time because all appointments were booked -- be on the look out next year.

Stay safe everyone-- and help keep our Club going -- Volunteer!

Robin Scott

Obedience Club of Daytona**General Meeting Minutes*****September 14, 2020***

Meeting was called to order by: President Linda Hudak at 7:08pm

Sign in sheet circulated -16 members present; no guests.

Wins & Brags were announced-new ones will be posted in Chatterbarks; Please send email to Joan with your wins/brags for up-coming newsletter.

Minutes of the last meeting were in previous month's Chatterbarks; not read at the meeting. No corrections.

-Report of the secretary: New members: Hugh & Eileen Pender - Port Orange, FL (HHM)

-Report of the Treasurer: August Income: <\$1,800.00> Renee stated the club needs to explore more ways to create income. Reported that the Eye clinic had been held on the 12th - 51 dogs were examined by Dr. Plummer- the club sees a small portion of the total dollars taken in.

The Dog dental/teeth cleaning date is set for October -Should be 12 dogs total for the day- A suggestion for more clinics to be offered; perhaps a Cardiac / Heart Clinic to be considered.

Report of the Board of Directors:

Linda Hudak:

Item 1. At this moment we are moving forward with our December Rally & Obedience Trial as well as our January Agility trial at Silver Sands. Per Ralph, December Ob/Ral trials will be held with limited # of exhibitors because of social distancing requirements (full details will be provided in upcoming Premium). Rally will be designated to only Friday with 2 trials. Obedience will be 2 trials on Saturday & only one on Sunday. A brief discussion regarding what AKC has adjusted and lifted for clubs holding trials during Covid (criteria on judges, cancellations) and for exhibitors.

Item 2. There are a few more classes on the schedule for the coming month. The class scheduling for the new month is being worked on; we now have a few more instructors on board to teach. We do need Basic Instructors as current classes are finishing up. Joan reported that she has several more applications for classes but no where to put the students at this time.

Item 3. Possibility that the club will be looking into alternative locations temporarily to hold classes in the community (park/city center areas). Nothing is determined but it's something to consider for the near future so people can train even if they are not ready to get back to a building setting. It's a way to help our club financially too.

Linda H. mentioned the Brevard club cancelled their October trial at our center, so we need to be open to ideas.

Pat Dean: Reported for the Tracking Trial on Feb. 7, 2021 she needed 5 volunteers for the committee and just filled the remaining 2 spots.

- A Nominating Committee has been formed with Shirley Shalansky as the Chair with Kathy Nicastro, Lisa Liguori as well as Joan Costello and Pat Dean as the two alternates for nominations for open spots for the 2021 Board.

(Continued on page 11)

The C-Match for Obed/Rally will be held Saturday prior to our December trial; Linda Stites volunteered to head that up. Because the club needs to limit the number of people allowed in the building for health requirements etc. there will need to be a Pre-Registration Mail-In system prior to Match day and confirmation of registration & run order schedule would be done via email to those participating - details will be worked out further and a volunteer will need to be in charge of registration.

Cleaning day has to be coordinated in time for the December trial- Claire and Dana will need to coordinate - Needs to be some time after the match; Ralph suggested perhaps that Wednesday.

-Linda Stites suggested a small fundraising idea for the dancers to put on a small performance in the training center; her idea was well received. More planning information would be needed.

-Sunshine Committee- Please let Joan know via email if you know of a club member that may be in need of a 'get well' or 'thinking of you card' so she can forward the information on to Kelly.

-Banquet discussion- Joan originally brought an idea to the board possibly having the banquet at our center this year because of Covid. Renee added in a prior discussion with Joan about her idea, that under the circumstances, we could do just a cake and not dinner. Joan added that we should skip the gift exchange; ask those attending to bring Pet food donation for one of the humane societies (this idea was well received). *Linda H. asked those in attendance 'who is in favor of having cake and awards here at the center?'* Of members in attendance, President Linda H. **determined** it was **unanimous** that it was **confirmed by a show of hands**~ December date TBD (either 12/7 or 12/14) and further information to follow.

Awards reminder- Please be sure to email your information for a plaque and/or hang tags to Vicki Owens.

****We could not vote at tonight's meeting, as planned last month for the wording change to Standing Rules for Virtual Club Meetings because we did not have enough people in attendance. It was post-poned until we can get information from AKC re: in-attendance voting for virtual meetings Vs. not having enough members in attendance to actually vote.**

Meeting was adjourned at time 7:59pm

Respectfully Submitted, Kelly Zen

**OCOD'S DECEMBER TRIAL UPDATE
BY RALPH ORLANDO, TRAIL CHAIRMAN**

This update is to bring you all up to speed on the status of our winter Obedience/Rally trials to be held Friday-Sunday Dec.4-6, 2020.

A few major changes are in the planning to conform with new Covid-19 requirements.

First, the trial is over 3 days with a double solely Rally Trial on Friday Dec.4.

Next, on Sat.Dec5 the early Obedience Trial will be all 3 Regular Classes.

Following in the 2nd trial will be added: Beg. Nov, Grad Classes and Versatility as well as Random Rewards time permitting.

Sunday will be a repeat of Saturday trial #2 with all regular and non-regular classes.

Our trial Secretary Adrienne Swanick will be sending out and posting the premium this weekend.

Covid involved changes include:

Restriction lifted on more than 2 legs by the same judge.

With your trial application will be a waiver page regarding Covid which you must sign and return with your entry form.

Along with the premium package will be a long list of do's & don't regarding safe operation in the Covid environment and among them the basics of mask wearing & safe distances while at the event.

The premium spells out 50 exhibitors on a first come first serve basis so don't delay on your entries.

There will be taped floor 6 X 6 ft squares for each exhibitor to place a crate or two plus your OWN chair. Ring #4, puppy room, center aisle and some of ring #1 will be the crating areas with Ring #1 only on the Rally Friday.

Place ribbons will be on a do it yourself table so reduce multiple touching.

The Last Saturday in November the 28th Linda Stites has offered to host a pretrial match and those details will be handled by Linda.

Following the match on Sunday, Claire is setting up major cleaning to have the building clean and trial ready.

Soon after maybe Monday Nov.28 when the floor is dry, I want to tape the crating squares and could use a few people to help with that.

Volunteers to steward and handle other jobs for the trial will also be needed. Less stewards in some regards (No Fig 8 posts) but more to handle the Covid needs.

Food for workers and judges could be from the newly opened restaurant on the 8th St corner of our parking lot. They have a good menu at reasonable pricing.

The flexibility of ordering and picking up from them should be simple with no muss no fuss. A food allowance will be given to each worker.

**Please contact Ralph Orlando rorlando2@cfl.rr.com
if you can help in any way. Along with the usual trial jobs will be
newly created ones for Covid.**
