"General Club Business"**

Dear members,

We still have a lot to accomplish as the end of the year approaches: Our November Obedience Match and December Rally and Obedience Trials are coming up and once again Ralph needs volunteers! No previous experience is needed. We will train you for the job so don't be afraid to step up and be a steward or help with some other task. By working the event you support the Club and can watch fellow Club members as they show off their training and compete for Titles. Please Note: Only exhibitors and workers will be allowed in the building due to limited occupancy and current COVID Safety Protocol. No spectators allowed.

January 22, 23 & 24th is our Agility Trial at Silver Sands. It's always a great show and brings in some great agility teams. For our members who do not participate in agility, please consider helping at the trial where you will get a front row seat to this exciting canine sport. Please contact Lisa Liguori at lisaliguori64@gmail.com if you can help.

Did you complete your cleaning requirement for the year? Due to COVID the number of cleaning days were limited this year. If you cannot make it to a cleaning day before the end of the year you can still receive credit by working one of our events. You are required to clean or work an event in order to receive the discounted member rate for classes. These events are a big source of income for the club and cannot be done without your help!!

We will not hold our Awards party in a restaurant setting this year due to COVID but we will have an Awards get together complete with cake at the Training Center December 14th. Be sure to contact Vicki Owens to order your annual award plaques at OCODawards@yahoo.com. It may have been a shorter than normal competition year but come out and help us celebrate all the wonderful accomplishments our members achieved in 2020!

Best wishes and Happy Training,

Linda Hudak

NOTE FROM LINDA HUDAK

Could you please send out to instructors and assistants that they may use class credits for both ring time and payment for classes in November. Also, when scheduling ring time they still need to check the schedule to be sure there isn't a conflict and precede or follow a class to minimize utility cost. If they wish to rent a ring while a class is going on they need ask the instructor for approval.

Obedience Club of Daytona General Meeting Minutes October 12, 2020

Meeting was called to order by: President Linda Hudak at 7:01pm

Sign in sheet circulated -23 members present; 1 guest.

Wins & Brags were not announced-*but new ones can be posted in Chatterbarks; Please send email to Joan with your wins/brags for up-coming newsletter.*

Minutes of the last meeting were in previous month's Chatterbarks; not read at the meeting.

-Report of the secretary: no report given at this meeting.

-Report of the Treasurer: no report given at this meeting.␣

Tonight, club members in attendance voted on additional wording in the bi-laws [Article II., Section 1, Club Meetings] as of 10/12/2020 to allow the club to hold virtual meetings in the future as approved by AKC. Renee Johnson opened by reading the following:

The newest entity of the bi-laws to read: **'Meetings of the club shall be held the 2nd Monday of each month within the Greater Daytona Beach area at such hour and place as may be designated by the Board of Directors. Notice shall be electronically mailed to the entire membership by the Secretary at least 5 days & not more than 10 days prior to the meeting. Meetings may be held tele-conference, video conference & virtual electronic.'**

President Linda Hudak reminded the membership in attendance this is what we are voting on because AKC has approved, because of Covid, to give us the ability and their 'OK' to be stated in our bi-laws to be able to hold our meetings virtually in case anything were to come up in the future; to have this in place.

Joan Costello made a motion to accept what was read. Second by Pat Dean.

By a show of hands (counted out loud by club Secretary): of 23 members in attendance there were **20 (Yes/Ayes)**; None opposed (nays); 3 non- votes. President Linda Hudak declared vote complete; approved.

Following the completion of the vote,

Sandy Baily introduced 2 officers from the Daytona Beach K-9 unit to discuss the plans for the construction of their new 3-bay kennel. The membership learned about the Challenge Coin medallion that they are selling to raise money for the kennel project. Members in attendance that wanted to show support were able to donate \$20 and had Sandy add their names to a list to receive a medallion at a later time. The discussion was then followed by a demonstration from the officers and their 2 canines.

Meeting was adjourned at the conclusion of the demonstration at 7:58pm

Respectfully Submitted,

Kelly Zen

Agility Trial Volunteers Needed

Trial Set Up: Thursday, January 21st @ 9 am

Trial: January 22, 23 and 24th starting @ 7:15 am till late afternoon

Due to the Covid-19 virus we are not able to utilize groups from local schools to assist us with the Agility Trial. We are in need of Volunteers to make this Trial a success. On Friday we have a total of 10 rings we need help with. On Saturday it is 11 rings. On Sunday it is 7 rings.

Whether you can work all weekend, a few hours each day or even one class your help will be greatly appreciated. Responsible teenagers are encouraged to help as well so if you know some teens that would like to help we would love to have them.

The **Inside Ring Crew** has one of the easiest jobs and is closest to the action! Watching the amazing dogs and handlers running the course makes the day go by quickly.

Inside Ring Crew Consists Of:

- **3 Bar Setters** who are responsible for putting dropped bars back in place, changing the height for jumps and the pause table.
- **1 Leash Runner** who is responsible for moving the leash from the ring entrance to the exit.

The **Outside Ring Crew** is not a difficult job, but does require a bit of skill to do the jobs. You will still be able to enjoy the action in the ring, but at times your focus will be on the job at hand.

Outside Ring Crew Consists Of:

- **Gate Steward** who is responsible for checking in the dogs before the ring starts, dealing with ring conflicts and calling out the running order once the judge is ready to begin. The Gate Steward is NOT responsible for hunting down the next dog in line. It is the Handlers responsibility to arrive at the gate in time for their scheduled run.
- **Sheet Runner** who is responsible for taking the score sheets to the Trial Secretary.
- **Scribe** who is responsible for marking down the Judge's calls during each of the runs.
- **Timer** who is responsible for signaling the running team to Go/Ready, making sure that the timer starts once the dog passes over the timer eyes, and to manually track the time for those choosing to do a Fix N Go in the ring.

Course Builders are needed to work with our **Chief Course Builder**. This job is physically demanding but teamwork lightens the load.

For those wanting to volunteer you can fill out the form below and mail it to:
