## Have your Dog's TEETH CLEANED Without ANESTHETIC \$150 JANUARY 29, 2022

Julie Shinew has been our Doggie Dental Professional for many years. The orientation on the importance of keeping your dog's teeth clean is always impressive. She uses a combination of pressure points, massage, wrapping and other positive calming methods to clean Dogs Teeth without using drugs. Seeing believes, we watched the procedure as a dog that would not let his mother look or brush his teeth and it was amazing, they turned out sparkling clean. A portion of the Fee goes to the Club.

*Dear Members:*

In looking back over this past year I've come to realize that worthwhile accomplishments begin with a vision or dream, require realistic short and long term goals, and a commitment to persistent action to attain those goals. This is true of personal, professional, training, and Club goals. I have to frequently remind myself that progress is not linear. It comes in waves with ups and downs, challenges and successes, struggles and accomplishments. It's the dance of dog training and the dance of life...3 steps forward, 2 steps back. The key is to stay committed but be willing to reassess as you go. And boy oh boy the Club has made great progress despite 2020, the year of COVID!

2021 was an huge year for OCOD! In May, we purchased our building and now our Training Center belongs to us for holding training classes, trials, and seminars. It's a big responsibility and a dream come true. Thank you to everyone who has donated their time and effort to make this dream become a reality. Please consider getting involved by volunteering at an event, teaching or assisting, cleaning and/or making a contribution to the OCOD 2022 Building Fund. We now have a place to call our own and a mortgage to pay!

\*\*Just a friendly reminder...Please go out of your way to be welcoming to visitors, new students, and new members. Remember what it was like as a beginner, be helpful, kind and considerate, and please direct any questions or concerns to your Instructor or the Training Director(s). As 2021 comes to a close, I wish all of you and your dogs good health and happiness during the holiday season and coming year. It has been a privilege being your president over the past two years and I look forward to serving on the Board in 2022.

Wishing you and yours many Blessings  
and a Merry Christmas!

*Linda Hudak*

Merry  
Christmas

***Obedience Club of Daytona      General Meeting      November 8, 2021***

Meeting was called to order at 7:10pm by President Linda Hudak

Sign in sheet was passed around - 14 members were present there were no guests

Wins and brags were announced. Any new ones should be submitted to Joan for the Chatterbarks.

Report of the Secretary: There were 3 new applications for membership: Denise LaFrance (S) Palm Coast, Janice & John Reilly (H) Ormond Beach, Wendy Reaves (S) Edgewater. There was no correspondence.

Report of the Treasurer: Renee' said most of our income for October was from classes. There was a little bit from renting the building for a trial. Basically we are doing well. Renee' will ask the nice man at the laundromat if he would clean up the trash in the area behind our building for a certain fee per month because it's used by our members, class members and folks at trials with their dogs. Everyone thought that was a great idea.

Linda Hudak appreciates all of our instructors that work so hard and give of their own time. It shows in the way they teach the classes and because of this we get a lot of referrals. They have great passion for training dogs. The quality of knowledge that we have here between the various instructors results in a great program.

Linda Hudak went over the subjects covered at the Board of Directors meeting. We talked about a few of the building issues that we are taking care of and our online applications are going well. We talked about fast cat being included in our January agility trial. We will be starting another outdoor basic class at Port Orange City Center on Jan.6.. We briefly talked about our new T- shirts which we will decide on in 2022 because there are supply issues with the vendors at this time. Nina Daly will be lining up our presenters for next year to speak at our meetings. In Jan. will be dropping our mask mandate. It will be optional for those fully vaccinated and of course those that wish to continue wearing masks can continue wearing masks. We are also going to leave it up to the individual instructor so if the instructor feels that they want their students to wear masks it is totally up to them. As far as the Christmas party masks will be optional as well. We have a DOCOF seminar rental that is going to be taking place in March 12th and 13th. DOCOF is going to rent the facilities to have an Obedience Seminar. We have reduced our rental rate for them so that will be our donation to DOCOF. We don't know if we will be competing in DOCOF this year. Be sure when you leave in the evening that the AC is on the proper setting. We talked about our dropping covid paperwork for the club. Trials are completely different. It stated in the paperwork that you had to sign it. AKC leaves it up to the individual club. We will probably restrict the number of participants in the trials. Probably masks will be recommended because of the number of people in the building. Linda Hudak said that is just her personal opinion. It will stay the same for the Dec. trial...masks will be required.

Building Committee: Pat and Jim have been chipping away at fixing the many repairs and maintenance items that our older building requires over time. Because of the settling of the building there are spots where cracks have developed. Heavy rain has caused lots of leaks in the back wall of the building both upstairs and downstairs. Pat said the practical way to fix this is to put sealant on the wall and then paint over it. She is in touch with Able and is monitoring the scheduling of the repair. At Pat's request Able had the pothole fixed in the front of the building. She will bring up gutters in the future. Pat is the primary contact for building maintenance. If you see something wrong call Pat Mozden.

Linda Hudak presented Pat with a Thank You card from the Board of Directors and members for her and Jim for all the work they do. Linda said they really take the Bull by the horns and all of their hard work does not go unnoticed. Pat said she would take the card home and share it with Jim and that we are all lucky she married a maintenance man.

Reminder about our Match on Sat. December 4<sup>th</sup>. Please send in your pre-registration. The Match is a great way to practice for the trial the following weekend.

(Continued on page 13)

Joan wanted us to know that two of our previous members have passed away recently Debra Canavaro Jacob and Pat Fountain who were both in the Canine Fancy Dancers a few years back. She remembered Pat and her husband Al had a fun routine where she was a nun and Al was a priest. Debbie was in the group for many years with many fur babies. They will be missed.

There were other questions that were proposed that will be considered at a future time. One was about expanding our reach with our canine good citizen testing and the other was about possibly having open houses for the public at the training center.

Ralph's dog Smokey had a successful surgery. Ralph sent detailed information which was read at the meeting about the trial, the Hurricane IDA relief supplies, and the Volusia County k9 memorial updates. The signup sheet for volunteers was passed around. There are 2 Rally trials on Fri. the 10<sup>th</sup>, 2 Obedience trails on Sat. the 11<sup>th</sup>, and one Obedience trial on Sun. the 12<sup>th</sup>. Trials begin at 8am with stewards arriving at 7:15am. Worker meals will be provided. Ralph will be needing 6 or so helpers after the trial on Sun. to help clean up and straighten up the rings. Ralph is also forwarding lots of detailed information by e-mail.

Ralph wanted to thank everyone who donated needed supplies or gave money to help with the Hurricane IDA relief supplies. The value of our donations was well over \$1000. Ralph had 50 packed boxes to send or deliver but the Emergency Operations Center in New Orleans was bogged down and not allowing deliveries to badly damaged neighborhoods and was overwhelmed and unable to handle it all. Ralph was even going to personally going to drive it ½ of the way but by the time someone was found for the other end of the delivery Ralph had donated the items to the Salvation Army on LPGA. Thanks to all of you for your donations. WE DID OUR PART.

The k9 memorial for the Sheriff Training Center is still trying to raise more money because the bronze statue is \$7,000. Our donations from Ralph's fund accounts combined with the military dog account will be about \$4,000. Money from these combined accounts is generated by Ralph making dog training items such as wooden Utility items, front/finish boxes and platforms and the many items like crates and training aids that you donate to him.

Joan would like to remind us that the Christmas Banquet is on Dec. 6.. Payment for the dinner is \$13 for members and \$26 for non-members. Payment is due by Nov. 15<sup>th</sup>.

Claire has 39 reservations and will be decorating on Dec. 5<sup>th</sup>. She said it is casual dress and if you bring a gift you can get a gift. Any volunteers to straighten up after the event would be greatly appreciated.

Pat said the Nominating Committee's Candidates for 2022 Board Members are Michele Lemole for President, Kris Davenport for Vice President, Linda Campagna for Secretary, Renee' Johnson for Treasurer, Chris Franczek for online deposits (helping Renee'), at large Board Members are Pat Mozden, Anna Johnson, and Linda Hudak at large member and past President. Pat said if we have any nominations from the floor... speak now or forever hold your peace. No one added any nominations. Linda Hudak said everybody drive safe and thank you for coming once again. Thank you Pat and Jim for everything you do for the club. There was a motion to adjourn by Pat and seconded by Renee.

Motion Adjourned at 7:55pm  
Respectfully Submitted,  
Linda Campagna

MERRY  
CHRISTMAS

*New Family member for Pat Mozden and Jim Polito her husband. Meet Charlotte (on the left), Lucy's new sister. She's a hound mix and the same size as Lucy. I caught them here in a moment between chasing each other and sniffing the yard for lizards and squirrels. They will keep us endlessly entertained.*

### **CRATES AT TRAINING CENTER**

Our trials begin on Friday Dec.10 with Rally and then continue for two days ending on Sunday Dec 12. Our main focus is for those crates in the center area to be removed if those dogs will not be in the trial.

So, if you are Rally only then crate is OK for Friday but should be taken home or moved to rear in the right side exit door area until Trials end on Sunday.

If you are Trialing on the weekend be sure crate is marked with name and Marked IN Trial. If not marked it will get moved and stacked in the rear area.

The building will be open from 3-5PM on Thursday to allow exhibitors to bring in & set up their crates.

Thanks for your help.

Ralph

**ADOPTED DOGS take 3 days

start to know your routine
