President's

Dear members:

Wow. That dog is reactive! Those are words we all hope no one is saying about our dog. But, in fact, many are saying it more often recently; when we're in public, in classes, and even at trials. What's going on?

Like most issues, there are numerous factors to what appears to be an increased number of dogs that fit that description and OCOD can't solve this problem. However, we need to acknowledge it and respond appropriately when observed at our indoor training center or at Silver Sands agility classes.

While some owners are aware of their dog's limitations and know how to avoid triggers, others are less skilled, and we've had some unpleasant episodes involving reactive dogs in the last few years. In each case, one or more individuals came up after and admitted they had observed the dog being reactive on other occasions. So far, there haven't been any serious injuries but that could change anytime.

Remember, a dog does not have to draw blood to be reactive. Continual lunging, hard stares, low growls, and other behaviors that send “that” message should be taken seriously.

No one wants to “tell on” their friend's dog. But it is dangerous for us to wait until something more serious happens. It is every member's responsibility to make the club aware if you observe a dog who is exhibiting reactive behaviors. Please inform a board member or instructor of your observations. That will allow us to observe the dog ourselves and determine if more action needs to be taken. In some cases, private training can make significant improvements.

We all want what's best for our dogs and want them to have a safe training environment. Please do your part to help.

Pat Mozden

OBEDIENCE CLUB OF DAYTONA

GENERAL MEETING

FEBRUARY 12, 2024

President Pat Mozden called the meeting to order at 7:22pm. The sign in sheet had been passed around. Fourteen members and two guests were present.

Minutes of the last meeting were not read because they were published in the Chatterbarks newsletter.

Report of the Secretary: Laurel Landsman and Dawn Winans (HS) Bunnell, Maricel Foley (S) Ponce Inlet Tish Brown (S) Lake Helen, and Debbie Lique (S) Ormond Beach. There is no correspondence.

Report of the Treasurer: Renee said we are still in the black. Our Agility trial made close to 5K and the CDSP trial took in \$390. The December trial took in \$2500 in addition to the money we made from our classes.

Pat was saying that early in the year we seem to have a lot of business that comes up and we ran late with our board meeting. Pat asked two new applicants for the club to stand up and tell us about themselves. Laurel Landsman and Dawn Winans have just moved here from Colorado and they have Australian Shepherds. They have moved to Bunnell and are traveling around seeing the sights and learning more about Florida. They've taught novice, rally obedience, and puppy class.

Wins and Brags were announced and Pat congratulated everyone. Any new wins and brags should be submitted to Joan for the Chatterbarks.

Anna said the July trial is the twelfth, the thirteenth, and the fourteenth. The Match will be on Saturday July sixth. The Sniff and Go is going to be the March 30 which is halfway between Good Friday and Easter Sunday. The Scentwork trial is on the nineteenth, twentieth, and twenty first of April. There will be a cleaning day before the trial. Sign up to work a shift during the scentwork trial. All the jobs are easy and they will explain everything you'll need to know. Lunch will be provided. There is a sign up list on the front bulletin board near the front door. Terrie will be glad to answer any questions.

Pat said Sandy Bailey is interested in trying to encourage the Daytona Beach Airport to begin having comfort dogs at the airport. This is a work in progress and Sandy has noticed at other airports comfort dogs have been very well received. We will continue to work on getting more information from the airports that are participating in this program.

Pat said if you have been a member for at least 90 days you are able to take classes at a discount. In order to help us maintain that discount we are requiring that people help us maintain the club. We are a volunteer organization and the currency that this club runs on are volunteers that do the work. We are finding that as time has gone by that people are increasing reluctant to come in and do the basic work that has to be done. There is going to be information in the newsletter about the changes we are going to make. Once again we will really enforce people coming in to clean as well as helping once every 6 months with one of the other activities that we do which is trials, matches, and classes. You must help in some way. There are plenty of jobs to go around. You'll be reading more about that in the months to come. Next we'll be talking about something more interesting.

Ralph will be talking about the jump changes that AKC made this year. Ralph said he receives information from AKC often because we have obedience trials in this club. AKC thought of a way to eliminate injuries in dogs when they use the panel jump. (Continued on page 5)

(Minutes continued from page 4)

The jump's bar sometimes falls off. Things fall down. They fall on the dogs and the dogs get hurt. They sent Ralph a handout regarding the proposed change. Ralph contacted Diane Schultz and she said contact Bob Withers who was in charge of her. Ralph contacted him and he said great we can get our heads together and come up with an idea. Ralph has tried different ways to achieve the same result and will share that information with the AKC committee. Bob Withers said he is going to get together with his committee and come up with an answer. Ralph said it seems like a simple fix. It's really not much of an issue. Ralph said in the meantime he wants to use one of our jumps that he has changed in trials for the next 6 months. This AKC change will not be in effect until the beginning of 2025. Ralph thought about trying it for a while to see how it works out. That's the plan and I'm waiting to hear back from Bob Withers. This is an easy fix. Pat thanked Ralph and said that was great.

Terrie said Nina was talking about putting on a first aid class for dogs like she does at the jail. Pat said she was going to let Nina talk to her about that. Pat said we are ready to adjourn. Sarah motioned to adjourn and Linda C. seconded the motion. Thank you all for being here and we'll see you next month.

Meeting was adjourned at 8:00pm.

Respectfully Submitted,

Linda Campagna

"Can't take my dog?! But I don't even know HOW to run without my dog!"

"Excuse me, EXCUSE ME, what's that you are eating?!"

OCOD gives a Huge Thank You to Robin Scott, Pat Dean and Janet Berry for all the work they did to put on the Tracking Test. Each Year they work so hard to hold this event for our Club.

***Vickie Schoeder & Moxie
at the Port Orange Police Department***

The Port Orange Police Dept. got a visit from Vickie Schroeder and Companion Moxie from [Companions for Courage](http://www.companionsforcourage.org). Vickie provided the department with information on how they are using therapy dogs within the 7th Judicial Circuit to assist child victims in coping with traumatic situations, testifying in court, and giving each child the confidence and courage in court, depositions and counseling sessions.

Thank you Companions for Courage for letting Companion Moxie visit with our officers and staff at the Port Orange Police Department and provide us with a little therapy of our own! Pictured with Moxie, are our new recruit officers during a break in their training. For more information about Companions for Courage, visit their Facebook page or at www.companionsforcourage.org

Get Well Wishes for Debra Kuhnly, hope you feel better real soon.

We are also thinking of Jill Smith, whose father is in Hospice.

NEW CLEANING DAYS

I am hoping that getting this schedule out early will help member pick out some dates to help us. There are jobs that everyone can do- such as sitting down cleaning equipment, dusting, and cleaning windows besides vacuuming, scrubbing floors and cleaning bathrooms.

We all love training and showing in our wonderful building, but we need to keep it clean and smelling nice. If you have any questions, please give me a call or e-mail me. Thank you, Claire / Anna
