"General Club Business"

President's Message,

Well, we've made it to Spring, and I don't know about you but I'm really enjoying the comfortable temperatures and low humidity! Spring is a time of renewal and a time to do some spring cleaning. Speaking of Spring cleaning, it's time to roll up our sleeves and get to work.

We will be renting out our Training Center to other Clubs for upcoming trials, so we need to get ourselves organized and ready! If you have training items at the TC be sure your name is on it and keep it at, or on, your crate or it will be put in lost and found box.

Our new Reception Desk and bookshelves should be in place soon as we work to organize and spruce up our front entry area.

Since our current floor scrubber has required much more maintenance than anticipated, we will be voting on purchasing a new floor cleaning machine at our next meeting. As always, we ask everyone to do your part in helping keep the TC clean.

Happy Training and be sure to get outside and enjoy the weather before it gets too hot.

ASSISTANTS NEEDED FOR CLASSES

Our club is always in need of Assistant for
our Puppy, Basic and Intermediate classes.

Our club is based on Volunteers and with
around 200 members it shouldn't be so hard to
find members to help with classes. You do not
need to have experience to assist, the
instructor will let you know what to do.

You earn \$35. in class credits for every 7 wk.
set of classes

that can be used to help pay for classes or
used for ring time.

Please contact Joan att jhcostello37@att.net
if you can help.

Diane Schults Problem Solving Sessions

Diane is offering a new and exciting opportunity for handlers to get one-on-one help with competition as well as training/behavior problems (non aggressive). She has agreed to provide 20 minute One-on-One Problem Solving Sessions for \$20 or \$20 class credits on Saturday afternoons. Monthly sign up sheets are located in the "Sign up Book" on the front desk. You must print your name, phone number and email address as most communications/ scheduling will be done via text/ phone or email. Priority will be given to active Instructors and Assistants but club members are welcome to sign up too. Please understand this is NOT a weekly class and time slots are limited depend on Instructor availability.

Obedience Club of Daytona**General Meeting Minutes****March 8, 2021**

Meeting was called to order at 7:05pm by Linda Hudak, President

Sign in sheet was passed around – 16 members present 1 guest. Melinda Everett our guest was asked to introduce herself and was welcomed.

Wins and Brags were announced – any new ones submitted to Joan via e-mail will be posted in Chatterbarks. Minutes of the last meeting were not read but were published in Chatterbarks.

Report of the Secretary: We have one new membership application: Melinda Everett (SM) Deltona. Welcome to our new member. There is no other correspondence.

Report of the Treasurer: Renee said we met our goal last month of 5K, but we spent 6K. She said we are still good.

Linda Hudak and all the Board of Directors want to thank Robin Scott and let her and all the club members know how much we appreciate her continued support and participation in OCOD's Tracking Program. Being an experienced Tracking Judge she has given of her time, advice and knowledge to Ralph, Pat Dean and many others. She is an essential part of our Tracking program and has helped us grow and get better while we continue to build our program.

Report of the Board Members: At the last Board meeting it was decided that we should improve the front desk area and purchase a desk and shelving. Pat Mozden was given the task of finding a desk and accessories to make our lives easier. This would include more storage and shelves that would be at our fingertips when we were trying to help folks sign up and do other business at the front entrance area. Pat wants to thank Joan Costello for sending her pictures of gently used items. She was able to put together a grouping of not only a desk but shelving, a cabinet, and a chair for \$230.00. – WHAT A DEAL!

We are looking into purchasing a new floor scrubber that is more reliable.

Linda Hudak is moving forward to get online payments for classes. She says that the new, younger students like the ease of paying on line. We presently have online payments for annual dues. There may be an extra convenience fee of \$5 for paying online. You can still pay by check and Joan Costello wants members and new students to put their applications in her desk folder with their checks attached for Puppy, Basic, and Intermediate classes. Joan said payments for drop in classes go in an envelope with the students name and class on the front and drop it in the box.

Linda Brendlinger has received a few more member's dues. A few other members have chosen not to renew. She will send out a new updated list to the website next week that will include our new member Melinda

Building Committee Report: Ralph said a lot of our ceiling lights are not working and the bulbs will have to be changed out. Because of the height of the ceiling this will require a scaffold and we will have to be very careful. The canopy lights outside under the overhang need bulbs also.

We have a current rental contract on the building and we will ask the landlord about renewing our lease. On our contract Pat said a certain % can go up on the rent each year and it would be nice to keep the rent level because of covid and not have a big jump.

Ursala is rebooting our Instagram account. Linda Hudak will give Joan the list to reach more people. We hope they will have it up and running and that it will be similar to what's posted on Facebook.

(Continued on page 5)

Linda Hudak wants us to know AKC has a lot of virtual titles available now like Rally Advanced, Agility and others. Linda Hudak and Renee had a discussion regarding premiums being put out before a trial. The rule is that the checks go to the trial secretary and we are not allowed to deposit the checks until the closing date before the trial.

Linda Hudak tried to get Pet Street's Dr. Van Dyke to come talk to us about first aid and when we need to head for the vet's office. We hope he will come to a meeting soon. We put a Committee Chairperson List in the newsletter last time and we still need a few volunteers. Some of these would include: Scent Work Trial Chair, setting up Presenters, and Events Committee. Check on the list...you might find something you like. ☺

Pat Mozden mentioned a few items...no shot records for member's dogs anymore...we will be fixing our applications to have the covid waiver attached...class schedule will be on our website and Barb will post every month...send class info to Barb so she can post to website...and send Barb changes so she can make corrections. Pat M., Linda B. and Linda H. will be getting together to do descriptions for all the Basic Classes. Renee wanted to know if she needed to keep separate accounting figures for the different Basic Classes. It was decided that we will. Joan said we need to list prerequisites for classes with the class descriptions.

Tires on the Agility trailer will not be changed out until agility classes break for summer.

Calendar of Events: K9 Jacksonville Trial May 8, 9 ...Eye Clinic Sat. July 10...
Match Sun. July 11...OCOD Obed. Trial July 16, 17, 18...Mid Florida Golden Club
Trial Aug. 13, 14, 15...Cleaning Friday ? July 9 ? ...OCOD Obed. Trial December.

Classes are going FULL BLAST!!!!!! We always need Teachers and Assistants. ☺

OCOD MEMBERS

We no longer collect dog shot records from club members, but we will continue to require records with class applications.

PLEASE NOTE ABOUT CLASS REGISTRATION !!

Club Members taking a Puppy, Basic, Beyond Basic, Adv. Basic/CGC or Intermediate classes your application and check or credits

must be received 1 week before the class

is to start. non-members have 10 days after the reservation is made to get their application in. This was announced at the March meeting. We are asking the public to do the same. This should help with registration on the first night of class. I would prefer that you mail to our P.O. Box since I don't go to the Training Center that often. I may have filled the class with people that call me before I get your application from the Center.

When there is more than one class to be registered on the same night, it takes too much time to fill in all the information on the rosters that night.

Thank you for your cooperation,
Joan Costello

To be Voted on at the April Meeting

Our Club needs a new floor scrubber, the Scrubber is made by Pacific Co. It is an S20 Disk Scrubber with Traction. This is a walk behind scrubber that is self propelled. The advantage of this scrubber is that is very user friendly , no more crawling on the the floor to put the scrubber disk back on the machine. Most of the moving parts are controlled manually with metal handles. There is a lot less chance for human error and machine errors.

The pressure the machine cleans with is greater than our rider /scrubber so you get a cleaner mat. Burn's Supply is giving us back half the cost of the rider scrubber which is \$3200 Plus they will pay half of the sales tax. The cost of the new machine is \$7786 - \$3200 = \$4586 + 1/2 the sale tax is \$284.34 = our total cost \$4870.34 . If any one would like additional information they can look at Pacific company's website .The service we have received from Burns Supply has been outstanding .

*Sincere Sympathy to Melody & John
Bogdanoff on the loss of their beloved
Golden Retriever "Bella"*

Member of the Obedience Club for many years died suddenly on March 16. She was just shy of 11 years of age. Bella completed several classes at the Club over the years. She last participated in walking with the Club at the 2018 Ormond Beach Christmas Parade. Bella was an adorable gift to everyone who met her and she knew no stranger. She made us very proud and was a credit to her breed and to this Club.

We miss her greatly and will never forget the loved we all shared.

To all my dog showing people!

Something to think about next time you show, no matter what the venue is! Your dog gets absolutely nothing out of being competitive for you. Not a darn thing. Of course dogs are bred for specific jobs, or they're bred to be athletic to a certain degree.

They have no idea how much money is added to the pot. They have no idea that this is a qualifier. They have no idea that this is the World. And DESPITE us... DESPITE our nerves, our flaws, our incorrect cues, our huge emotions, they get the job done to their very best ability. Even when we fail them by letting our emotions get in the way, they come back and they try again, For US. Let that sink in. If only we could all be so understanding.

To think of an animal that is forgiving and flexible enough to put up with the repetition of practice, the intense nerves of the handler, the stress of hauling and they will still meet you at the end of their lead ready to go is MIND BLOWING.

If you haven't done so lately. Thank your dog
If you're successful, thank the dogs that put you there and made you. Thank the dogs that gave everything they had for you simply because you ASKED them to.

If you're still on the journey to success, thank the dogs that made you fall in love with your sport and who have helped give you the confidence to want to learn more and be better.

We can never stop learning as dog men and dog women, and by continuing our education. Every dog in our future will be better off. Next time you head to the club, leave your ego at the door and "THANK" your dog!"

Constance and Tom Yuschok welcome their 10 week old Vizsla "Rembrandt" to our family!! He wants to please and be liked, is smart, calm and cuddly.
