### *President's Message,*

Hello Members,

Well, here we are in the hot, lazy days of summer but that hasn't slowed us down here at the Club. There's been a flurry of excitement with all of the sprucing up and cleaning thanks to Pat and Jim.

Thanks go out to all of our hardworking Instructors and Assistants that teach our classes and keep our doors open. There really is so much that goes into running this Club, and there are many that work tirelessly behind the scenes to make it happen. You know what they say, "It's a big job, but many hands make light work." We can do things more quickly and easily when we work together!

Thank you for  
all you do!

*Linda Hudak*

*Congratulations Everyone !*

## Building Fund Donations

The following additional people have made donations to our building fund:

Michele Lemole  
Beth Brandon-Brown  
Coralee Leon  
Dale Parks  
Terrie Brensinger

Ruth Andrick and The Life Of Riley pack runs again! 8 runs 8 Q's. Kadie, Rose, Lily and Jolene had a great time running Fast CAT at the Greater Kingsport KC trial! It was Jolene's first time to have a chance to run and she had two successful runs! Rose was the fastest of everyone, in both runs she beat the pants off of all the girls- she is built for speed! She was so fast she ran ahead of the lure when she started out on the first run!

New Family Member for Kay Bell, meet "Spencer" He is 16 months old. I got him through golden Retriever Rescue of Mid Florida. We had been on their list since August. We had adopted Sam from them in 1994.

He really is very sweet ( as all Goldens should be) and very mellow for his age.

***Masks are NOT Required for FULLY Vaccinated Individuals***

Thanks You  
for helping to keep everyone safe !*

Sincere Sympathy for Anna Johnson on the loss of Apollo, he was 11 1/2 and still young at heart but his body was older. I'll miss my big boy and his quirks.

### **Help Contribute to the Building Fund!**

Todd Traster and Terrie Brensinger have volunteered to head a Fund Raising Committee!

The first event is a Raffle Basket which contains people and dog goodies valued at greater than \$300! (A list of contents is on the ticket container). The basket is currently sitting on the front table with a ticket container and an information poster. It is hoped that everyone will buy some tickets when they are in the building. Terrie and Todd are asking/hoping that Instructors/Assistants/Saturday Desk Guardians will help sell tickets to their students.

The roll of tickets can be found in the drawer where Instructors' folders A-L are stored. Please place money in a sealed envelope with RAFFLE written on the front and place it in the locked money chest where all monies are placed. Proceeds will go towards the Building Fund. Members can also buy tickets at the July 12 meeting when the winning ticket will be drawn.

Keep ½ the ticket, write name and phone number on the half that goes in the bucket!

Tickets are : 1 ticket \$1.00  
6 tickets for \$5.00  
26 tickets for \$20.00

### **PLEASE NOTE IMPORTANT INFORMATION FOR TRAINING CENTER**

**Everyone** needs to sign in the paper notebook on desk and pay before entering a ring to take a class or do a run-thru.

The 3 Ring Binder is for Monthly Classes and needs to be signed by persons taking a class so the Instructor knows how many students to expect.

The class needs to be ***paid in full*** on the first class day of the month!

A few class are paid by the day/night, the same procedure applies.

Use the wooden mail box on the desk, **PLEASE** be sure to put the class, your name and date on the envelope.

The file cabinet in the the desk has  
names of instructors assistants and some members for mail.  
(Credits, memos and mail etc.)

### **A New Look at the Training Center**

By now you have probably noticed that we have new furniture at the front of our building and other areas are being cleaned out, with multiple items being moved around and some thrown away. We want the Training Center to be as clean and attractive as possible with things more organized so they are easier to find.

Please do your part to keep things clean and organized. **We are not a storage facility.** If you have things at the TC that you are not currently using, they should be taken home or thrown out. If you use our equipment, cleaning supplies, office supplies..... please put them back so the next person can find them.

Crates. Crates are bulky, heavy, and just a pain to move. Some crates were left behind when we shut down for COVID and were then forgotten. It was a strange time. But now it's time to remember our rule on crates: **you must be teaching, assisting, or taking a class at least every week to leave a crate at the TC.** If you are not taking a class full time this month, your crate needs to go home until the next time you are in class. Please cooperate.

Thanks. Pat Mozden

### **Training Floor Mats for Sale - \$25 EACH**

Would you like professional matting for training your dog at home? This is your opportunity. OCOD is selling the last of the matting that we used before the rubber matting now installed in the TC. (Don't worry Fancy Dancers - your matting is still carefully stored in the back and won't be sold.)

Each mat is about 4 ft. by 40 ft. so even if there are imperfect sections, you will have plenty to work with. Purchased new, the mats cost hundreds of dollars each, so this is a buy. You may pick up a roll from the TC during Saturday morning run thrus or arrange a time by contacting Pat Mozden at [patmozden@cfl.rr.com](mailto:patmozden@cfl.rr.com). Be sure to bring two strong individuals and an appropriate vehicle. They are HEAVY.

OCOD members will have the first chance to buy them but one week after the July Chatterbarks is released, the remaining mats will be made available to anyone via social media. Don't miss out.

Kelly Zen and foster puppy "Dolly" completed the Thursday night Puppy class training in June taught by Linda Eastlake .Dolly is the first blind Shih Tzu puppy to train with Linda at OCOD! The experience with the other puppies & their handlers, as well as the support of Linda and her assistants though the weeks (Sue, Chris & BJ) helped give Dolly the foundation she needed to become a more confident and social puppy. As Dolly trained formally at OCOD she

## General Meeting Minutes

June 14, 2021

Meeting was called to order at 7:06pm by President Linda Hudak.

Sign in Sheet was passed around - 24 members were present and there were no guests.

Wins and Brags were announced. Any new ones should be submitted to Joan for the Chatterbarks.

Minutes of the last meeting were not read but were published in the Chatterbarks.

Report of the Secretary: We had no new membership applications. There was correspondence from New Horizon Service Dogs Inc. thanking OCOD for letting their group use the training center for team training sessions.

Report of the Treasurer: Renee' discussed the purchase of the training center, building fund, mortgage, condo fees, and how much we needed to bring in from classes to keep the place running.

New update by Pat Mozden: Pat started by saying if everything goes as planned and the creek doesn't rise we should have our mortgage paid off in 10 years. This is tremendous because as commercial building stuff goes it's very unusual. People are usually planning on mortgages for multi decades for commercial buildings. If we did not do this who knows where would we have ended up. If we would have been able to extend our lease it would have been working against us. It's almost a blessing that it turned out that we were not able to extend our lease due to some communication errors. If we had been able to do that I'm sure we would have extended our lease another 5 years and then in 5 years we would have been stuck. In the meantime the building would have been sold to someone else who I think had other plans for this space. Once we were done with our lease we would have been out in 5 years. Chances would have been pretty slim for us to find another place especially of this size. It's really a big plus that we have secured the building. We really need your help with classes because we have to keep the cash flow where it is and then some in order to continue to pay for things. We are making an effort to really tighten things up. We hope this will renew your interest in the club and you will think like an owner because you really are an owner truly. I think we have a nice looking training center and a wonderful facility to work in. Please do your part. Classes are our single biggest form of income so if there is anything you can do to help with classes please step up. If you haven't assisted with classes recently or haven't worked with that at all I would hope you would reconsider because this is the time we need to ramp classes up as much as we possibly can. When you help with classes you will be helping others and earning credits that you can use to pay for the classes you take.

Terrie Brensinger has brought a huge raffle basket to help raise donations for the building fund. There is something for everyone including a \$50 gift card from PetSmart, bottle of wine, chocolates, Beef jerky, puppy treats, balls, a candle, bones, and ear wash from Dr. Tickets are available to purchase for about a month.

Everything in the basket is new. There are hundreds of dollars of goodies in the basket. 😊 The drawing will be at the next general meeting. You can purchase tickets from class assistants. Thanks to Terrie Brensinger for getting donations from so many sources and putting the basket together. 😊

Linda Hudak wanted to thank everyone who came to celebrate a day we could only dream of ...owning our training center. We greatly appreciate all the donations to our building fund and

it doesn't matter how much you can give. Anything you give is greatly appreciated. Renee' will take care of all donations for the building fund. 😊

We have a lot of good stuff coming up for the club. Kris may be arranging a Companion Dog Sports Program (CDSP), Obedience Trial in September. Linda Hudak said it was another, very welcoming entry level obedience. We have our eye clinic coming up it's on our calendar that Robin is saying July 10<sup>th</sup> and you have to make a reservation for the exam. We have an Ophthalmologist that comes from University of Florida and gives the dog a through eye exam. They will give certifications for registered and breeding dogs and also take care of dogs with eye problems. We are having ring rental that day as well. The eye clinic will be in the back and the ring rental will be up front.  
(Continued on page 11)

Linda Hudak said we will be having the Trial soon and if you're not in the trial you need to take home your crate. If you have something at the training center that does not have your name on it please let Pat M. know so she won't think it has been abandoned and sell it or throw it out.

Linda Hudak is looking for someone to head up our Christmas party so if you would like to volunteer to find a place to have our holiday banquet please let us know.

Chris Franczek has updated our incident report and the copies are in the bins on the shelf by the main desk. These are really like accident reports and if anything happens in the building or in the parking lot we need these filled out. You need to report the incident to an instructor if one is there and also call to report the information to a Board Member. That reporting system is very important to the club.

Linda Hudak addressed a question about a second intermediate class and she said the board had been discussing the possibility of a daytime class or maybe a Saturday class.

Ralph said many of us belong to the Tracking Club of Central Florida. The dues are \$25 per year. They also have seminars where you can learn a lot about tracking.

Our Obedience Trial will be on July 16 with double rally, July 17 with double obedience, and single obedience on Sun. July 18. Crating will be in the center aisle and in rings 3, 4, and 5. The Sunday before the trial, which is on July 11, we will have a practice trial. Make believe judges who are typically high level trainers will help you and give you suggestions. New stewards are able to come on that Sunday and learn what your job will be the next week at the trial. Also between now and then every Monday and every Thursday you can come to watch and be a steward for the class. These classes start at 9:00am. Monday classes will be open and utility. Thursday the classes are Novice and Versatility. The trial closes for entries June 30, 2021. We will get lunches for the judges and stewards from Publix.

Report of Committees: Ralph has been asked by the Sheriff's department if I could help them with donations for a project they have come up with. They had one of their dogs shot in the line of duty in 2019 and that's when he got involved with the county. Ralph been supporting the military dogs through the club here since 2008. When the dog was shot I contacted the canine unit to see if I could help with any donations for their teams. Whatever they needed whether it was bullet proof vests or something to protect the dogs or whatever. They said they really didn't want anything like that but what they wanted was coming up with the idea of infrared lights which I then bought for 13 dogs. The officers wear the infrared lights on their lapel so they can be seen from a helicopter. The kennel master wanted to know if Ralph could help with donations for a memorial for the dog that had been shot. Ralph said he is now up to \$2000. The dog statue itself made out of bronze is a minimum of \$7,500. He is trying to get it cheaper. They would have to get a plaque and also get something to mount the statue on. The statue will be out at the training facility where the canine unit is located on Tiger Bay Rd. He will keep us informed about donations and how the project is coming along.

Linda Campagna said she is starting a new Beginner's class in Canine Freestyle Dance on Sunday afternoon June 27. The class is joy filled and a lot of fun. In the class she uses music, teaches tricks, does choreography, and covers costuming and props. Patty came over to say she and her dog were in the current class and how much they enjoyed it. She said her dog Milo thinks Sunday is Fun day. One of her dog's tricks is to stand up on two legs and hop backwards on command 2-3 times in succession. It's really cool to watch him. Need more information? ...give Linda C. a call... sorry she doesn't get texts.

Linda Hudak recognized Pat Dean who had a question. She had noticed that prices on classes had gone up and would like us to consider raising the credits for assistants to help defray the cost of gas. Linda said she would bring it up at the Board Meeting.

Meeting Adjourned 8:03pm

Respectfully Submitted,

Linda Campagna

Laurel Hendricks has a new addition to my family. Lexi who is around 4 years old and was adopted from Shih Tzu & Furbabies Rescue. Thanks to Kelly Zen who helped with the process and getting her down here from Ohio. I got her 2 weeks ago so we are still getting acquainted but I can't wait to see what kind of journey we will be on.

### **OCOD RALLY & OBEDIENCE TRIALS**

Our summer trials will be held on July 16-18, 2021. On Friday July 16 will be back-to-back Rally trials with AKC Judge Brenda Critelli running the show. This trial will begin at 8 am on Friday.

Then on Saturday again back-to-back trials with judges Linda Unger judging Novice and Luci and Ron Seeley judging Open and Utility for a total of 3 trial each over the weekend.

Normally prior to our trials we have a match on the Saturday before but this year there is a conflict on that day with another club activity so the match if we have one this time must be on another day. A Match is a run through to practice what you could expect in the actual trial but with a make-believe judge (usually an experience club member) playing the role of the judge.

As you most likely have noticed the floors are boxed off in 6ft X 6ft squares for social distance spacing and the plan is to leave them in place even though the CDC guidelines have been relaxed. These boxes will keep the crating much more organized and make it much easier for exhibitors to find a crate spot without feeling like they are intruding on someone else's space.

HAPPY TRIALING EVERYONE AND HAVE FUN WITH YOUR DOG

Ralph Orlando

Please email Ralph at [rorlando2@cfl.rr.com](mailto:rorlando2@cfl.rr.com) if you are able to help with any of the Trials, it takes many members to volunteer to cover all the positions. You do not have to have experience, you would be paired with someone that has steward before. We can not put on these Trials without your help.

P.S

Please bring something for the refreshment table, cookies, brownies, fruit, etc.
