Members from
The Daytona Beach Police Department
K-9 Unit will be our guest !

President's Message,

Dear members

As many of you know my husband, Jim Polito, and I volunteer regularly at one of the local humane societies. Each time we return home, we remind Cricket of her good fortune to live with us.

Regardless of their personal finances, every club member I know makes sure their pets have the best life possible with quality food, a safe and comfortable home, and better medical care than many people receive. If only all animals could receive such good care.

While you are sitting indoors this month to avoid the heat, keep in mind the dogs and other animals in our communities that need a home. The greater Volusia/Flagler area has not only several humane societies with bricks and mortar facilities, but we also have many foster based organizations that place thousands of animals each year.

Please try to support one (or more) of these organizations on a regular basis. Donations of cash, food, toys, or time can make the lives of their animals just a little better while they wait for a permanent home.

OCOD members have always been thoughtful and generous to surrounding community. Keep up the good work.

Pat Mozden

All dogs are eligible to earn AKC Therapy Dog titles,

including purebreds and mixed breeds. To earn an AKC Therapy Dog title, dogs must be registered or listed with AKC and have a number. This includes any one of these three options:

1. AKC Registration Number (purebreds with registered parents)
2. This is often known as the "AKC papers" provided to a dog owner by a breeder. If you have received a registration paper from your breeder or previous owner you can [register online](#).
3. PAL Number (purebreds not registerable)
4. [PAL is Purebred Alternative Listing](#). PAL (formerly called ILP) is a program that allows unregistered dogs of [registerable breeds](#) to compete in AKC Performance and Companion Events. PAL dogs include the many wonderful purebred dogs who may have come from shelters or rescue without AKC registration.
5. Canine Partners Number (for mixed breeds or non registerable)
6. Used by mixed breed dogs (and dogs otherwise not registered with AKC such as some purebreds from other countries). A special [Canine Partners Therapy Dog Enrollment Form](#) is available for mixed breed Therapy Dogs needing to obtain a dog number in order to receive their Therapy Dog Title. This form must be submitted together with the [Therapy Dog Title Application](#).

Puppy and Basic Classes need help!

Many of our reliable Puppy and Basic instructors and assistants are not currently available due to health or life changes so we are struggling to cover these classes.

Assistants are largely a second set of eyes for the instructor and we are happy to provide on-the-job training. And if you are interested in being an instructor, being an assistant is the way to start. ***If you used to teach Puppy or Basic, please consider helping us out for a class or two.***

If you can help us with this need, please contact Joan Costello directly at
