President's Message

Hello members,

Wow, what a summer we are having! It may be hot, humid, and buggy outside but here in our Training Center it's a lovely 74 degrees, low humidity and no mosquitoes!! Whether you are taking classes, teaching classes, or just doing ring rental, life is truly good at the TC!!!

Once again, our July Rally and Obedience Trials were very successful thanks to Ralph Orlando and his army of helpers! Everyone had fun showing their dogs and the Club received many compliments from both exhibitors and Judges. We can't hold trials without the help of our many dedicated members, so thank you to all who helped out. Next up will be our ScentWork Trials on September 17-19. Please contact Terrie Brensinger if you can help out.

As usual, this issue of Chatterbarks, thanks to Joan Costello, is full of information you need to know so please read it thoroughly. Also note the updated schedule of club activities and pricing changes and join us in celebrating the numerous wins and brags from our recent trials.

Happy Training,

Linda Hudak

All dogs are eligible to earn AKC Therapy Dog titles,

including purebreds and mixed breeds. To earn an AKC Therapy Dog title, dogs must be registered or listed with AKC and have a number. This includes any one of these three options:

1. AKC Registration Number (purebreds with registered parents)
2. This is often known as the "AKC papers" provided to a dog owner by a breeder. If you have received a registration paper from your breeder or previous owner you can [register online](#).
3. PAL Number (purebreds not registerable)
4. [PAL is Purebred Alternative Listing](#). PAL (formerly called ILP) is a program that allows unregistered dogs of [registerable breeds](#) to compete in AKC Performance and Companion Events. PAL dogs include the many wonderful purebred dogs who may have come from shelters or rescue without AKC registration.
5. Canine Partners Number (for mixed breeds or non registerable)
6. Used by mixed breed dogs (and dogs otherwise not registered with AKC such as some purebreds from other countries). A special [Canine Partners Therapy Dog Enrollment Form](#) is available for mixed breed Therapy Dogs needing to obtain a dog number in order to receive their Therapy Dog Title. This form must be submitted together with the [Therapy Dog Title Application](#).

Annual Eye Clinic Report

by Robin Scott

Well this was the largest clinic we have held in all the years I have been in charge of it. Fifty dogs and ten eight week old lab puppies. What an honor to be in charge of this event. The clinic was held July 10th this year and up until about two weeks before - I was not sure we were going to be quite as well attended as in years past. But then, all of a sudden people sent the registration form and checks and well the scheduling began.

If you have ever gone to a dog show where there is an eye clinic you would know it takes a bit of time so I try to schedule appointments, spacing the time so that no one has to wait too terribly long. This year it was a little more difficult - the puppies WERE SOOOOOO CUTE! But that aside - shuffling ten puppies in an out took time and a few people had to wait a little bit longer than they had in the past. I am sorry for that but I try to not turn anyone away who wants to have their dog checked.

I want to thank Renee Johnson who updates the flyer for me every year. I ask and she does it Thank you Renee. Renee was also there Saturday in case we needed help, but let me tell you Maria Orlando and Janet Berry were like the little pink energizer bunnies! These two ladies were running around non stop. Checking people in, getting drops in dogs eyes, lining up for exams, assuring the correct paperwork was with each dog, and the list goes on. I cannot thank them enough. Their hard work and dedication to the club is never ending.

I also want to thank Dr. Plummer who drives from Gainesville every year to do this clinic for us. She is such a lovely person and a joy to work with.

I want to add a little something... if the club is having an event, whether it's an eye clinic, a trial, a tracking test, a seminar, a cleaning day or any other number of things the Obedience Club of Daytona offers...VOLUNTEER. A club survives on volunteers and the feeling of accomplishment you have after helping an event be successful - well it's a really great feeling. I can tell you for a fact that if I had not had Maria, Janet and Renee to help me with this clinic I do not know what I would have done.

SAVE THE DATE - THE 2022 EYE CLINIC IS MAY 21ST, 2022.

Puppy and Basic Classes need help!

Many of our reliable Puppy and Basic instructors and assistants are not currently available due to health or life changes so we are struggling to cover these classes.

Assistants are largely a second set of eyes for the instructor and we are happy to provide on-the-job training. And if you are interested in being an instructor, being an assistant is the way to start. ***If you used to teach Puppy or Basic, please consider helping us out for a class or two.***

If you can help us with this need, please contact Joan Costello directly at jhcostello37@att.net.

Books available

Hey members! Looking for something good to read – that's about dogs? In the hallway leading to the restrooms there are two book cases filled with dog related books. Books on specific breeds, training techniques, even some fiction starring dogs. Ok, some are vintage, but Poodles are still Poodles so a breed book could be helpful.

Find one and take it home to enjoy or share with a friend. No sign out required. If you find one you wish to keep – fine. We have plenty.

General Meeting Minutes

July 12, 2021

Meeting was called to order at 7:04 by President Linda Hudak

Sign in sheet was passed around – 26 members were present and there were 2 guests who signed up to join OCOD. Wins and Brags were announced. Any new ones should be submitted to Joan for the Chatterbarks. Minutes of the last meeting were not read but were published in the Chatterbarks.

Report of the Secretary: There were 5 new applications for memberships. Mary Ann White (S) DB, Crystal Shreve (S) Ponce Inlet, Sue and Rob Hughes (HH) Deland, Janet Mizoguchi (S) Palm Coast, Jodi Eiland (S) Daytona, Jim Danhauer (S) South Daytona. There was no correspondence.

Report of the Treasurer: Renee discussed how much we took in and how much we spent for the month. She mentioned how well we did with the match, the eye clinic and the building fund. We need about 5K per month to run the training center. The water bill for the club has been higher because of the toilet running which has been fixed so if you notice anything wrong please let us know.

Linda Hudak announced that we would be having the drawing on the raffle basket shortly and if anyone needed some tickets they should hurry and get them.

Pat Mozden has been cleaning and arranging items in the training center's storage area upstairs. You will have to stay outside the marked border that protects the electrical equipment and major power supply. This area has to be free of all clutter.

Linda Hudak wanted to thank Linda Stites who planned and organized our match and all of the 24 volunteer workers that had come to help. Thanks to all of the judges and those who contributed their time. We received lots of complements on the building and the way the match ran. Thanks to Claire and those who cleaned before and after the match. The match was a great opportunity for new members to learn how to steward. Thanks to you all for all of your hard work. Your effort is greatly appreciated.

There was a discussion about contacting Barbara regarding correcting an item on line regarding the newsletter.

Renee reminded us that we are having a Scent Trial on September 17, 18, 19. and we will need lots of volunteer workers. These are really simple jobs and she will need 5 volunteers for each ring. You will be able to see how the dogs work to find the scent. After you see the dogs in action you might want to take the classes we offer in Scent Work. :-)

Lisa Liguori wants to remind us that she will be starting a Foundations Agility Class on July 29. For information call Lisa.

Claire and several of her friends have tried the restaurant in our parking lot. It has a new owner and they really liked the food. You can call ahead and they will have it ready for you. It is also convenient if you are here for the trial.

Ralph was talking about competitions. Rally and Obedience have 2 per year, one in July and one in December. Our Agility trial is in January at Silver Sands when the weather is cooler. February is the Tracking Test. Ralph said we are limiting entries in our July Trial because of

(Continued on page 9)

covid and social distancing. We don't want people congregating around rings and we don't want people visiting that are not showing. If you have crates in the center aisle you will need to remove them if you are not in the trial. Pat M. asked if we still need covid waivers. Linda Hudak said we will continue collecting waivers. We're expecting our numbers of people entering to be in the high 50's. Those people may have more than one dog entered. Exhibitors can bring their crates in and start setting them up as early as 3-5 PM on Thursday.

Ralph had a message from Volusia County Sheriff's Department asking if he could help collect donations for a K9 Memorial for Police dogs killed in the line of duty. He also had asked if they needed any type of equipment. They requested an infrared light to put on their lapel so helicopters could see where the good guys were in the darkness. They were so grateful they invited us to a demo of their dogs training at their training area...it was awesome! Ralph is hoping for that again. For the Military dogs Ralph has raised a nest egg of money from people giving equipment for him to sell or charitable donations. He was saying his golf group donates their winnings every week. He went into the VA in Port Orange and brought a jug for donations. Ralph went up to the bar and they started putting money in the jug. Then he went to the motorcycle club last Saturday. They passed the jug through the rows of 60 members and collected \$350. The grand total is now \$3509. Ralph and Smokey will also be riding by motorcycle with a police escorted group to raise money for the charity Camp Boggy Creek. This is a summer camp for kids with life threatening disabilities. If you would like to donate please contact Ralph.

☺

Building Status: Pat and Jim will be fixing more lights over time. She has been moving things around so if you can't find something she would be the one to ask. Please remember when you leave to check the back doors and make sure the a/c is at the proper temperature and it is on AUTO FAN.

Linda Hudak spoke about the new incident report and wants us to fill one out if there is anything that happens in the building or the parking lot that is unusual. If anyone were to fall, if there is a problem with a stray dog approaching you in the parking lot, or if there is a problem with an aggressive dog please fill the incident report out for anything unusual. If an instructor is available they can help you fill it out. They are located in a bin where the forms are kept in the standing cabinet by the desk.

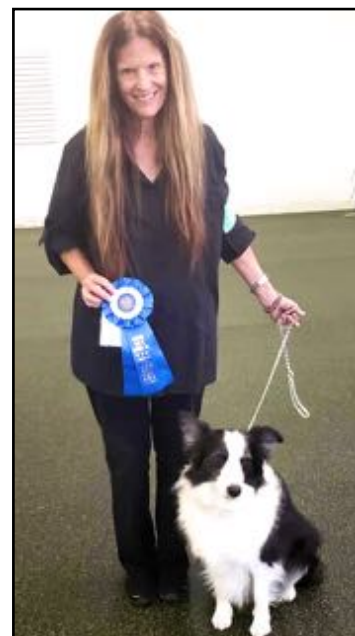

There will be price increases beginning in August. This Wednesday Linda Hudak will be at the building holding ring time from 9-1. We had a lively discussion about our December Awards Banquet. It will be on the 1st or 2nd Monday and Vicki Owens will be in charge of awards. Many options were mentioned and several members are on the hunt for our best option. They are gathering information for Linda Hudak. The number of people attending is estimated at 50-75.

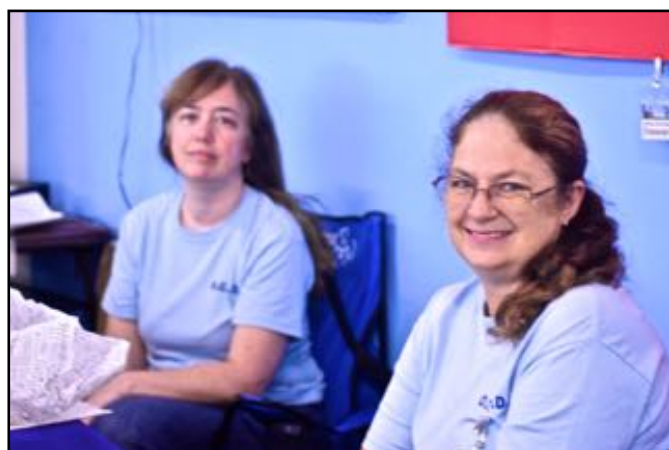

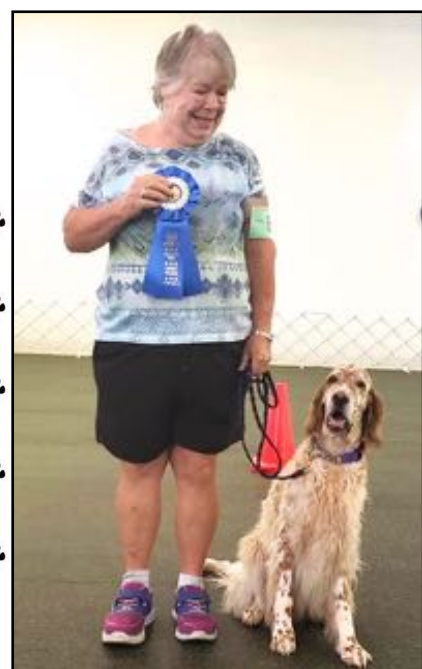

Renee' Johnson has been voted in as our new Training Director by the Board of Directors. Congratulations!

Shirley motioned to Adjourn, seconded by Lauren 8:05pm

Respectfully Submitted
