"General Club Business"

President's Message,

Dear members,

Well we've made it this far! With the second half of 2020 underway, I'm asking those club members who can help to please step up and do so. This year has been especially hard on everyone including the Club.

We have been very lucky over the past few years and now your club needs you more than ever! In order to keep the Training Center's doors open everyone must chip in and help out. A large facility like ours requires money and a lot of hardworking volunteers! I am asking each and every one of you to help somehow, somehow by teaching, assisting, cleaning, repairs, organizing, joining a committee, Saturday Desk Duty, and/or helping out at one of our events...If you are well enough to train your dog, you are well enough to do something to contribute to the club. I know we all want the same thing – for the OCOD Training Center to stay open and fiscally healthy. Meeting that goal depends on the actions of each and every member.

Yes, I'm asking a lot of our members, but we are a not for profit organization that has one of the best dog training facilities in the area, our prices are competitive, and our facility is one of the largest. As we safely move forward, we hope to offer some new and interesting classes, as well as mini seminars and events but we can only offer these training opportunities if members step up and help out. Please volunteer.

Stay Safe and Happy Training,

Linda Hudak

Ring time saturdays Hi everyone!

I'm excited to tell you we have decided to try some afternoon ring time on Saturdays in August and if we get a good response we may continue it. That means we will have ring time on Saturdays from 9am to 3pm. In order to have this work we decided to split the desk duty times. That means I will need someone from 9-12 and someone from 12-3. If you have a key to the training center and want to help out with desk duty and get some free ring time that day please let me know.

Ring time is on a first come first serve basis. So get your reservations in to me as soon as you know you want to train on certain Saturdays. You can email me or text me. Also in August we will have a rally course set up for people to do virtual video recording comp. It will be \$10 for 10 minutes on the course. So if you have been wanting to do the virtual rally comp this is for you! Get your reservations in.

Obedience Club of Daytona

General Meeting Minutes

Date 8.10.2020

Meeting was called to order at 7:05pm by President Linda Hudak (before guest speaker*)

Sign in sheet was passed around-15 members present; no guests.

Our speaker was Lind Weaver; topic was how dogs process scent and the different levels in scent work.

Wins & Brags were announced- new ones can be submitted to Joan via email and will be posted in upcoming Chatterbarks.

Minutes of the last meeting were not read but were published in Chatterbarks

- Report of the President:

Linda H. expressed her appreciation for the patience from the members regarding the changes we are experiencing and how we are working at moving forward in general.

The club is currently catching up on classes that were affected at the time of the shutdown. While the club is reaching out to instructors willing to come back to teach, and individuals that want to come back to train, Linda said that she does understand that it is a personal decision in regard to what people are comfortable with for themselves at this time. It's an important point to keep in mind.

- Report of the Secretary: 1 new membership application: (SM) Monica Miles, Ponte Vedra. No other correspondence.

- Report of the Treasurer:

July Income: a loss of <\$884.92> was reported. Per Renee, the accounts are in good standing at the moment. Linda H. added that event cancellations are a big factor in our numbers being down (Brevard Trial is still on our schedule for October) and smaller activities that can bring in some form of income should be explored. We need to be creative to generate income i.e: The virtual rally courses will continue to be set up on Saturdays, there is the eye clinic coming up in September and possibly getting the dental cleaning on the schedule.

An inquiry from a member: 'would it be beneficial to charge for crate space for those that need to leave their crate at training center, especially ones that are large and can't be broken down easily?' May be an option; possible discussion for board in future.

Linda addressed a question from a member on how does the class safety protocol routine work. She reminded the meeting attendees that between the instructor and the person working the desk, we have the tray at the door to step in for our shoes, temperatures are being taken as people enter, the Covid waiver for attending class is signed, the safety protocol form is initialed- Once class has begun, there should be no touching others' equipment and others' dogs- you train your own dog. Class sizes are smaller (downsized and manageable)- Instructors should bring their own dogs a demo dog. Instructors will need to work through different scenarios and be prepared to tweak- what works, what doesn't and what needs to be addressed. Assess as it occurs keeping safety in mind.

Reminder that there will need to be a vote to change/amend bi-law based on AKC's requirement to allow our club to have Virtual meetings if we decide that in the future we have a need to use this method.

Meeting Adjourned at 7:58pm
Respectfully Submitted,
Kelly Zen

*Sincere Sympathy to Jean Schaardt on
the loss of her Coco.*

It is with much sadness that I want to let the Club know that Miss Coco Rochelle, CDX, RAE, THD (aka "Coco") passed away last month.

Coco was 15 years old. I got her from a Tenn shelter 7 1/2 Years ago. She was completely unsocialized.

But I started training her to give her confidence. Although she was already 8 years old before she heard her first "Heal" or "Sit", she learned quickly. Whoever said you can't teach an old dog new tricks had never met Coco. She even qualified for and participated in the 2017 RNC in Georgia.

Coco did much of her Rally training there at the OCOD facility.

A month ago God called her home, and she answered His call. I miss her very much.

CINDY COLLINS AND DAVIS had a fun-successful weekend in Asheboro, NC, August 22, earning his first NW3!! He placed first in Containers and third in Exterior searches, with three Pronounced searches. Yea Davis!!

Congratulations!!

Puppy and Basic Classes need help!

Many of our reliable Puppy and Basic instructors and assistants are not currently available due to health or life changes so we are struggling to cover these classes.

Assistants are largely a second set of eyes for the instructor and we are happy to provide on-the-job training. And if you are interested in being an instructor, being an assistant is the way to start. ***If you used to teach Puppy or Basic, please consider helping us out for a class or two.***

If you can help us with this need, please contact Joan Costello directly at jhcostello37@att.net.
