NEXT MEETING 7:00 PM

Monday, April 11, 2016

Dr. Sarah Zuker D.V.M., C.C.R.P.
will be our guest speaker. She will be
discussing veterinary physical rehabilitation and
how physical rehabilitation can have a substantially
beneficial impact on many aspects of a pet's life.

President's Message,

For those with active dogs, injuries come with the territory. And as our canine friends age, stiffness can become a problem. Dr. Zuker, our speaker for April, will be talking about ways we can help our dogs better cope with these issues. I've been reminding (OK, hounding) the membership about the importance of volunteering time to the club and many have responded generously. Now I need to see where our volunteers are spending their time so we can identify areas of need. Here's something that will help us: Nina Daly made a binder that sits on a small table near the thermostat in the training center. In this binder, please note the # of hours you worked on club needs, what it was, and the date. You will need to start your own page (there's plenty of paper) and then put it behind the correct letter tab. That's it - simple.

Everything counts: teaching and assisting, of course. But also cleaning, repairs, painting, cutting the grass/weeds behind the building, public education events, etc. I'm sure members are spending time on things I don't even know about - it will be interesting to read the listings. Please take an extra moment the first time and catch up by listing what you have already done this year (as best you can remember).

For those who don't come into the building often, Linda Hudak has agreed to be the email contact for your information which she will then get into the book. Her email is randylindahudak@bellsouth.net. Be sure to put OCOD in the subject line and list all the information above. I'll also be sending out a form shortly that will help.

Speaking of helping, many of you took a supply of blue flyers for our Puppy and Basic classes two meeting ago. If you need more, I will have a large supply again at the April meeting. The Vets, Pet supply stores, and groomers are great for referrals. If you are friendly with a business that will distribute our flyers, make sure they always have a supply on hand. Let's keep those classes full!

Thank you.

General Meeting Minutes

March 21, 2016

Meeting was called to order at 7:15 pm by Pat Mozden

Nina Daly introduced the guest speaker, Dr. William-Jan Van Deijck. He spoke on vaccines for dogs. (Very Interesting!!)

The club meeting then started at 8:12pm.

There was a discussion concerning keys for the building. It was requested that the people with keys sign up that they have them.

There was a board recommendation that the donation money for last year be given to Sophie's Circle and Arnie's.

The vote for a change to the Standing Rules and the Constitution passed with 29 people voting for the change. There was one abstaining.

The building committee is requesting a 10 year lease from the owners of the club building. The club has abandoned buying the building since the buying price is half a million dollars.

Ralph Orlando is still investigating the most appropriate air conditioning systems for the building.

Purchase of security cameras is on hold until the club secures a lease. Hoke Johnson suggested offering a \$25 or \$50 reward for information leading to the return of missing items.

Committee reported events: Halifax Beach Walk, April 1st. Sophie's Circle requests the club participate and wear club shirts at their Memorial Walk on March 26 at 6pm at the Granada Bridge.

The names of new members Bain Foster and Gary Landmesser were read.

Ralph Orlando discussed the closing procedures for the building. He also discussed how class credits are awarded.

Pat asked members to keep track of times they have worked for the club by signing in the "work book." If the member has not worked, then they will not receive ½ price on award dinner.

A motion made by Renee Johnson and seconded by Ralph Orlando adjourned the meeting at 9:00.

Respectfully submitted,
