**Merry
Christmas**

President's Message,

Dear Members:

What a year 2016 has been for OCOD! In the spring, we signed a 10 year lease for our Training Center, guaranteeing us the use of our space for training, trials, and seminars for at least a decade. And, by the time you read this message, we will be preparing to install new floor matting that is the premium product for indoor dog training and trialing. These two steps will make us one of the finest dog training facilities in the Southeast.

I expect our training center will continue to attract new members who want to take advantage of having a great training environment right in their own back yard. Please go out of our way to be welcoming to visitors and new members as a friendly greeting encourages people to return.

As 2016 comes to a close, I wish all of you and your dogs health and happiness during this holiday season. Please take the time to remember your blessings and let life's shortcomings fade into the past. It has been a privilege being president this past year and I look forward to serving the club again in 2017.

Merry Christmas !

Pat Mozden

Congratulations to Lind Bara-Weaver !

I graduated from the University of Tennessee Vet School Canine Fitness Program in August and completed my Fitpaws Master Trainer Certification this month. I am entitled to use the letter CCFT after my name and to state that I am a Certified Fitpaws Equipment Trainer.

My reason for enrolling in the vet school program was because of Honeybear's physical challenges and lack of people to turn for help. So in addition to teaching and judging Barn Hunt and Nose Work I'm traveling doing fitness seminars.

Sincere Sympathy to

Susan and Jeff Armstrong, they had two of their Beagles, Lo-del's Gold Charm of L.T., VCD2, RE, RATO ("Charm") and Ch. L.T.'s Little Deuce Coupe, CD, RE ("Little") go over the Rainbow Bridge together on November 12, 2016. Loved and Cherished forever in our hearts.

Wins & Brags

Ruth Andrick and "Tanner" earned a First Place Win and earned a third leg and Companion Dog (CD) Title in Novice B at the Brevard Dog Training Club in Cocoa on 10/30/16.

Ruth Andrick and St Jon Life Of Riley's Copper Fancy "Fancy" earned a First Place Win and earned her a leg in Rally Novice B in her very first trial at the Brevard Dog Training Club in Cocoa on 10/30/16.

Kathy Dullinger and Ketka's Downtown Brown CA, "Townie" her Portuguese Podengo Pequeno, earned a BCAT Title at the Gulf Coast Sighthound Club Fast CAT Test on 11/13/16, he is the 1st Portuguese Podengo Pequeno to earn this title. Also, the AKC publishes rankings for the top 10 fastest dogs of each breed for Fast CAT and he is #1 for his breed with a speed of 20 mph!

Congratulations Everyone!

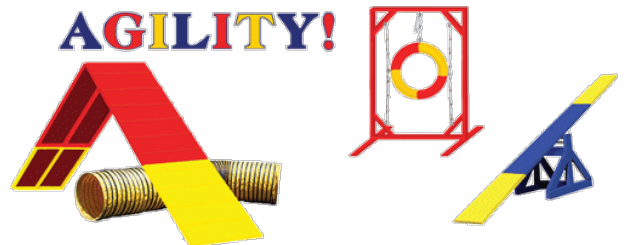

IMPORTANT NOTICE REGARDING CRATES AND CHAIRS

We will be installing new flooring beginning Monday, December 12th and all personal crates, chairs and other equipment MUST be removed prior to this date. Any personal items remaining in the building on the last day of the trial (12/11/16) will be considered abandoned and will become the property of OCOD. Please take your belongings home.

New Puppy for Dale Parks, It has been 11 ½ years since I had a puppy in the house. Did not want to get a puppy until I retired, which I did on October 31st.

"Quin" is a super sweet boy. Easy going, happy-go-lucky, with a touch of mischief.

"Ormond Christmas Parade"

Our Club will be walking in the Ormond Christmas Parade on December 10, 2016. This is the parade that we have to have lights on our dogs or leashes. You can get the battery operated lights for that. We wear our club shirts and dark colored slacks. If it's cold, you can wear a sweatshirt underneath your club shirt. I will have my car in the parade in case you or your dog comes up lame and needs to ride. Line up for the parade will be at 5:30. I will email the line up location as soon as I receive it. We hope you will plan on participating with us so we have a nice turn out of members.

Please contact Linda Campagna 386-848-4594 or email at campcad@earthlink.net if you would like to participate in the parade.

About Club Dollars

Hi All.

As one of two training directors we often share the job but in different areas. I am also on other committees to help our club run as smoothly as possible.

I handle disbursement of the seminar and class credits. Instructors are issued both and assistants just the class credits. At the end of each month, if a class has ended, I expect The ACCURATE report to me and should include the full names, day taught, who instructed and who assisted and hours for the period. The report for classes of more than one month are sent to me in the finish month (usually puppy, basic and intermediate).

Instructor class hours are converted to credit slips at the rate of 1 hour equals \$10.00 for instructors and half of that for each assistant for all of the normal classes. For classes considered advanced classes the rate is 1 hour equals \$15.00 mainly to keep in line with the higher fee the student pays for these classes. For the classes that are scheduled for 1 ½ hours and also at \$15/hour, fractions of a dollar take place so now for these amounts I am rounding up/down to the nearest dollar amount.

Your class credits can be used to take classes in obedience, agility and ring time. For many of you that I know take classes or use ring time I will break down the pay credit in values to help you use one slip for a class or as ring time. Instructors will get from \$40 to over \$100 in class credit so letting me know what denominations work best for you will help me out a lot.

One last important thing to mention is the published staff for a class matching the actual staff who was there. There are often big changes from published to actual and when your class final report is sent to me if they don't match I have to do some extra detective work to get to the bottom of who gets what. So, as each class begins go to the bulletin board or website and make sure the staff matches that posted. If they do not match please contact Renee' Johnson to let her know of the discrepancy, she will then make the correction and post the change.

I for one can proudly say that our Training Center run by all of you is one of the best.

Thank you

Ralph Orlando
