"We will be talking about the July Trials and
other Club business"

President's Message,

Our Obedience Trial is just around the corner, I hope you have marked your calendars so you can come help. I know the rings are already set up but if you can come on Friday afternoon, July 19th we will be cleaning and getting everything ready for the Trials. Please bring something to the trial for the refreshment table such as, cookies, brownies, donuts, bananas, etc.

The Judges' dinner will be at the Bamboo Garden on July 18th, if you would like to attend please contact Renee' Johnson 386-677-4528 or johnson3506@bellsouth.net to make a reservation.

If you are working the Trials, please wear your club shirt with dark shorts or slacks, and if you are entered in the Trial, please bring a vest or another shirt because you can't wear the club shirt in the ring. Coralee Leon is the Chief Ring Steward, please contact her at 386-517-1617 or 1coralee@earthlink.net if you can help steward or be a relief steward. You do not have to be experienced to steward, there will be someone to show you what to do. You could also come to the DCOF practice on Wednesday nights from 4:30 to 6:00pm to learn what a steward does.

We will be holding a "C" Match on July 11th, this is a great opportunity to practice for the Trials.

Our DCOF Teams have been practicing on Wednesdays and getting ready to compete on August 30th. They need a couple of members that can Steward for our team, we won't be able to send the Teams if we don't have the workers. Please contact Ralph Orlando at 386-788-4268 or rorlando2@cfl.rr.com if you could help, he can give you the details.

See you at the July meeting,

Joan Costello

New Family member for Rhea Machado

Nox - 8 week old German Shepherd/Belgian Malinois cross. He comes from a SAR friend who matched up two of her dogs for a nice working litter. So far he has shown no fears, has good hunt drive and has been friendly with everyone. I'm in love already.

Heat Stroke

Dogs and cats can't perspire and can only dispel heat by panting and through the pads of their feet. If you suspect heat stroke in your pet, seek veterinary attention immediately.

Signs of heat stroke include (but are not limited to):

- 
- Body temperatures of 104-110F degrees
 - Excessive panting
 - Dark or bright red tongue and gums
 - Sticky or dry tongue and gums
 - Staggering
 - Stupor
 - Seizures
 - Bloody diarrhea or vomiting
 - Rapid heartbeat

Note: Short-nosed breeds such as Bulldogs, Pugs, etc., large heavy-coated breeds, and dogs with heart or respiratory problems are more at risk for heat stroke.

Cooling Your Pet

- Find some shade. Get your pet out of the heat.
- Use cool water, not ice water, to cool your pet (very cold water will constrict the blood vessels and impede cooling).
- Place cool wet cloths on feet and around head.
- Offer ice cubes for the animal to lick.
- Contact your veterinarian.

New Puppy !

In Memory of Hope Johnson, she was 72 years old and lost her long battle with cancer. In the past couple of years she has donated so much to OCOB, the mirrors, the wooden trunks for our jumps, the ring tables, a refrigerator and at our December Trial all the cash prizes for both days. Hope was our Trophy person for several trials and she made sure all the ribbons were ordered for our July trial. Hope was a breeder of Schipperkes and is pictured here with her beloved Elf. Hope passed away on Saturday, June 6th., she will certainly be missed by all that knew her.

Sincere Sympathy to Anna Johnson on the loss of her beloved Collie, Clover Diamond in the Rough "Chomper" CD, PT, RA, NAP, NJP, he was 12 years old. For years Chomper and Anna helped with the CGC test because of his gentle nature and ability to get along with all dogs.
