"General Club Business"

President's Message,

OK, I know they say the older you get the faster time goes by but this is getting ridiculous, where did February go? Our classes have been staying full and the Basic classes have been filling up more than a month in advance. The Agility Fundamentals class is going quite well with many requests for it. We would like to see more students going on to Intermediate, please encourage students to continue their training.

If you didn't get to see Pat Mozden & Ruby on TV with Dr. Salzberg you missed a really good program. Pat always does such a wonderful job representing our club and never hesitates to come up with an appropriate answer to the call in questions. They videoed some of our classes from Puppy to Competition, but ran out of time to show even more of the videos. I've had several calls from people that saw the program and want to take our classes, we could not want better advertisement.

Some students have been having some trouble getting to our club's web site lately using Google search, we are working on trying to get this fixed. I guess it depends which search engine you use because others have not had a problem

See you at the March meeting,

Joan Costello

Quick Notes

The Board approved the purchase of a lightweight A-Frame for agility classes and to reimburse Coralee Leon for a Chute that she purchased to replace one that was worn out. This was voted on by the membership and passed. Other items that were requested by Coralee for agility were tabled until Jude Valloze looks at the list and gives her opinion as to where items should be purchased from. Ralph Orlando's cousin is going to give us an estimate of how much it will cost to upgrade out agility trailer with a roller system for easier loading and unloading.

We are having problems with getting to our Club's website by typing in on Google search. Hopefully this will get straightened out soon.

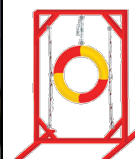

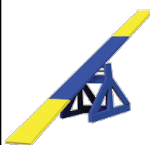

Donations for our dog related charities this year will go to Southeast Volusia Humane Society, Arnie Foundation & Sophie's Circle, each will receive \$325.00. We also voted to sponsor a bullet proof vest for a Port Orange Police Dog for \$975.00.

Janet Narushka and Shenandoah's Runway On The Hudson "Suli" passed his Tracking Dog Urban (TDU) Test at the Mid Florida Golden Retriever club's test on 2/1/15 in Orlando with Judges Ron & Luci Seeley

Congratulations, *New MACH Title!*
