**Very Important Items to be
discussed and Voted On**

President's Message,

OCOD has been on an exciting ride since moving from the parking lot to a small indoor space and then into our current location. The club has grown more than we ever expected and that growth is continuing as we are now considered a potential location for an increasing number of seminars, special classes, and trials. We are even being considered for the prestigious AKC Regional National Competitions.

At our October meeting, we will be discussing two proposed investments in the building that will make our center even more desirable and a better place to train your dog.

A security system. We have been offered the donation of a security system – we would only have to pay for installation.

New mats. Many of our current green mats are showing significant wear and need to be replaced. We are considering upgrading to mats that are specifically formulated for dog training and would last much longer.

More information on these two issues is listed within this issue of Chatterbarks. Due to the projected cost, both will require a vote from the general membership.

Remember that every member is a "shareholder" in OCOD, in other words, an owner. Be sure to think like an owner when you are in the building. Too much dog hair in a ring? Don't tell someone else - get a broom or a vacuum and clean it up. Something out of place? Put it back where it belongs. Trash can is full? Empty it. This attitude will make all the difference to the condition of our facility and keep it nice for everyone.

With our current training center, OCOD members get a lot for their membership. In return, our members need to contribute to our programs and trials and the upkeep of the building on a regular basis. Look for me to be talking more about that in the coming months.

Important Notice regarding the October General meeting:

Items to be discussed and voted on.

Security Cameras. We have been talking about installing security cameras in the Training Center for the last several months but ran into a number of roadblocks. Each proposal we considered was either too expensive or required expertise we don't have within the club.

At the September meeting, we were told of a generous offer: a local company would donate a "gently used" security camera system and we would only have to pay for installation. That is projected to cost \$600 or less. This is far less than other similar systems and would provide a professionally installed system to the club.

Mats in the Training Center. Our mats are wearing to a point that they will need to be replaced in the near future. After extensive research and discussion, we are considering mats that are custom made for dog training. Here's why. To replace the green mats for the 4 rings we have now plus the puppy room would cost approximately \$20,000 and we may get 3 years (4 at best) of use from them. Over 10 years it's entirely possible we would replace them 3 times.

The custom mats have a life expectancy of 10 years and it's very possible they would last longer. We have priced out covering the entire front room (not just the 4 rings) plus the puppy room. We will need to have them installed and purchase a couple pieces of cleaning equipment. The total for all of this is expected to cost between \$50,000 and \$60,000. This investment would give us the finest training/trialing surface for dogs that exists today.

Please come to the October meeting prepared to discuss and vote on these important issues.

The meeting was called to order at 7:10

Guests were welcomed

Wins and Brags were announced

Maria Orlando reported that our DOCOF team came out 9th out of 29 teams

Report of the Board and President:

- Security cameras: Renee Jensen reported that a security company she contacted will donate a system to us. We will need to pay for the installation of approximately \$300 and the cost of the wire. A motion was made by Joan Costello 2nd by Nancy Miles to get the security cameras. A vote was made. All approved.
- Mats: The building committee and Board discussed possibly matting most of the building. There was a lot of discussion about the mats. A motion was made by Dana Connelly, 2nd by Shirley Shalansky to proceed with the discussion about the mats. Any new information will be posted in Chatterbarks and to possibly proceed with a purchase. There will be more discussion next month.
- The New Website is in the process of being built.

Report of Secretary: The Minutes of last board meeting read and accepted.

Have your Dog's TEETH CLEANED *WITHOUT ANESTHETIC* *Julie - Oct. 15th, 2016*

Julie Shinew one of our guest speakers gave an orientation on the importance of keeping your dog's teeth clean. By using a combination of pressure points, massage, wrapping and other positive calming methods to clean Dogs Teeth without using drugs. Seeing is believing, we watched the procedure as a dog that would not let his mother look or brush his teeth, it was amazing & they turned out sparkling clean. A portion of the Fee goes to the Club.

OCOD will be offering this service on Sat, Oct 15th, at the OCOD Bldg. 9:00 AM to 4:00 PM. With 30 minute appointments, Payments by check made out to **"OCOD Inc."** in the amount to \$150.00. Payment must be received 3 days prior to the appointment date to hold appointment, non receipt of payment will result in the next person on the list taking the spot.
